Transportation Information

Walking Directions - From Cambridge Marriott Hotel to Tang Center

From the Cambridge Marriott Hotel (near the Kendall/MIT T stop), take the Main Street exit door (instead of Broadway), turn left on Main Street. You will see Au Bon Pain, and Bank of America across the Street. Turn right at the Bank of America corner onto Wadsworth Street. Continue on Wadsworth Street one block (about 100 yards). The Tang Center entrance is just across Amherst Street. The Sloan School of Management buildings will be on your left across Wadsworth Street just before Memorial Drive and the Charles River.

Subway Directions

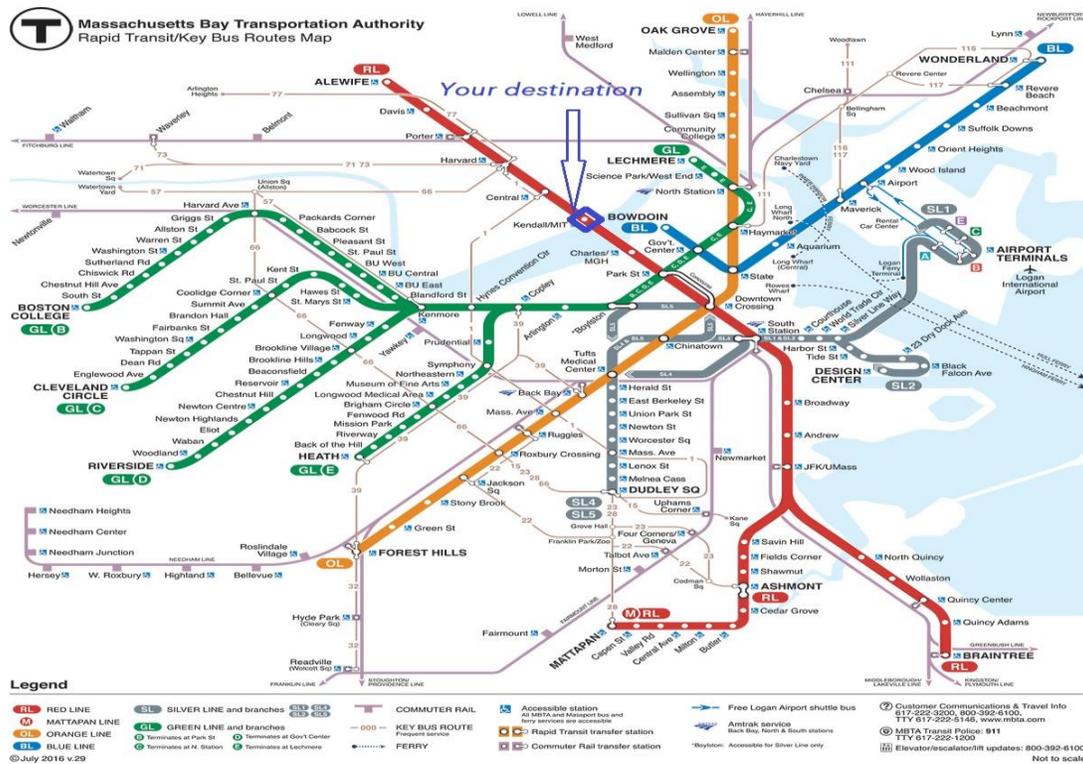

From any T accessible location, take the Red Line Alewife direction to Kendall Square stop. The T has four lines: the Red Line, the Blue Line, the Orange Line, and the Green Line. Thus, you need to change T at Park Street or Downtown Crossing if you are on a T line other than red. To get to Sloan Once above ground (you'll be on Main Street), head

for the nearby Fleet Bank on the corner of Wadsworth Street. Walk half a block down Wadsworth toward the river, then cross the street to a wide flight of stone steps — the Sloan Plaza. The Hermann Building (which houses the Sloan library and faculty offices; also known as E53) is straight ahead, and the main Sloan building (E52) is on your right.

From the airport, take the free shuttle bus from your terminal to the Airport T station, which is on the Blue Line. Take an Inbound train to Government Center. Walk up one flight of stairs to the Green Line and take a Westbound trolley one stop to Park Street. Walk down one flight to the Red Line and take an Alewife train to Kendall (the second stop). During rush hours the entire trip could take about 30 minutes. During off-hours it could take an hour.

The fare on T trains and trolleys is \$1.00, with free transfers between lines. On buses, the fare is \$1.00.
